BILLS—DELAY IN AUDIT OF.

376. Mr. K. M. Ibrahim (*Cranganur*): With reference to the answer to question 28 of 29th Vrischigam 1114, will the Government be pleased to state why it took about two months to begin an audit?

Rama Varmha Tampuran (*Comptroller of Finance and Accounts*): Out of the nine bills referred to, there was delay in audit by about 2 months only in the case of one bill No. 2833, the due date for finishing the audit being 15th Chingam 1113. This bill though it related to Cranganur was cashed in Trichur Treasury and the auditor had to attend to some intermediate action in the shape of verifying the debit with the classified abstract, effecting transfer entry, etc., before he could audit the bill. This explains the delay.
